

Declaration EU of Conformity (DoC)

The manufacturer S&P Sistemas de Ventilación S.L.U
C/Llevant , 4
08150-Parets del Vallès-Barcelona

declares that the product below are produced as a component for air ventilation systems. It also can be assembled into machines with other components.

The present DoC is issued under its sole responsibility and belongs to the following product:

FAN SHUTTERS

Tipo PER-EX
Serial number All Manufactured
CE mark date 18

these shutter range are not machines according the guideline 2006/42/EG from May 17th 2006, annexe II B and not equipments / components according guideline 2014/34/EU (ATEX).

Ex-proofed shutter checked acc. to IEC 93/VDE 0303 part 30 and admitted for the following areas (acc. to EXAM-report 1100/101/06 BVS-BI):

-gas or solvent vapour / air mixtures zone 1 and zone 2

-dust / air mixtures: zone 21 and zone 22

Attention:

the shutter is electrically conductive. In order to avoid an electrostatic charging and to guarantee a perfect function of the shutter, the shutter has to be installed by experts and has to be earthed acc. to VDE-guidelines.
